Catch 'em like this! (*Catch feet*)

Tickle-y, Tickle-y, (*Tickle toes*)

Baby Hokey Pokey

You put your arms up, you put your arms down,

You put your arms up, and you wave them all

You tickle, tickle, tickle, and you wiggle, wiggle, wig-

Talk

Use baby talk - where your pitch is exaggerated and vowels are elongated. By using baby talk, you can meet babies at their developmental level. Encourage communication and conversation throughout the day by narrating what you are doing during bath time, food time, shopping, and/or driving.

Resource Shoutout

The Early Childhood Council of Hillsborough County provides caregivers with free developmental screenings. Families can complete an Ages and Stages Questionnaire online. The ASQ helps explore development across the following areas: communication, social-emotional, fine motor, gross motor, and cognitive/problem solving.
